2. Boo! ! ! !

3. Please Mr. Little, give me a passing grade — I spelled my name right, at least.

4. After another hard day at EHS the Prairietown dwellers hurry to the shelter of their bus.

6. Are these our sophisticated Seniors? ? ? ?

7. Down in the right-hand corner we see two Seniors at work. Even after four years we get no rest.

8. Right below we see several people who have nothing to do in class but play around. Of course, the teacher hasn't come in yet.

BOARD OF EDUCATION

Every play needs its director. This also holds true for the big presentation that is known as "The School Year", which is presented each year from September to June. We of Edwardsville High School are fortunate to have seven fine directors. They are the members of the Board of Education. They pick the faculty, those brainy school marms and masters who make the production so successful. They also provide the setting, this year enhanced by the new curtain for the stage and fresh paint to brighten up the background. Most important of all, they persuade the taxpayers that the play is worth the price of admission.

This year the board members are as follows: Mrs. M. L. Burroughs, Mr. R. C. Cunningham, Mr. E. J. Ballweg, Mr. John F. Eeck, Mr. Harry Hanser, Dr. W. B. Cox, and Mr. Lester Brockmeier. The new member this year is Mr. Brockmeier.

These directors have given up their time to see that we have what we need to start the rehearsals, to keep the production up to date, and to see that the stage is always set for all the activities that go to make up a school year. In addition to the above improvements that have been made this year, the board has increased the amount of the Education Fund and the Building Fund.

ADMINISTRATION

Mr. Alexander, the Superintendent of the Edwardsville school system, keeps the production of learning in E. H. S. running true to form. Mr. Alexander has a big job to do, but he always has a friendly word for everyone.

Mr. Wood, after three years in E. H. S., is still doing a fine job of keeping the cast working and the production of learning in good order. As head director of E. H. S. he has a big job but he manages to keep production on schedule.

Mr. McDavid, who is just finishing his first year in E. H. S., is a fine talent scout. He can usually be found in his office, or in the halls, talking to one of his proteges and seeing that all the boys in the cast are in order.

Miss Sloan has charge of seeing that all the girls in the cast are on time for their daily rehearsals. She also helps the girls keep track of their belongings. She is ready to help at all times.

The cast of Edwardsville High School was an exceptional one this year. It included the great stars of the production, the Seniors, the Juniors or understudies, the Sophomores or stagehands, and last but not least, the Freshmen or ushers, who are just completing their first year of a four-year stand here in E. H. S.

We, the Seniors, have enjoyed immensely the four years on this stage. It has been fun to work with the rest of the cast. High School has been a fine mixture of work and play. We have worried about exams, but we have also thrilled at the thought of a class play or a football prom. As the curtain falls on the Grand Finale of our Senior year, we want those who stay to know that we wish them much success. We also want to thank the faculty for all they have done to make these four years happy ones that we will remember long after the curtain falls and the footlights are dimmed.

SENIORS

Gone are the days when a peanut butter pickle sandwich could floor us. Gone forever are the little gym rompers and the seventh hour naps. The Freshmen's faint, the Sophomores' strut, and the Juniors' jeer are but dim memories from a puerile past. After three hectic years of combination combat, we could bully one open on the third try. In short, we are those solemn cynics—the Seniors. So pretty soon we graduate and wear those quaint little mortar boards and look like brain trusters in the political cartoons. And won't we miss Kenny Sheppard's maidenly blushes?—And who will remind Bob Woods to sit up straight after he's out in the cruel, cold world? We nominate Margaret Hance as cutest giggler this side of Baby Snooks. No more assemblies where we cheered and applauded ourselves blue in the face and red in the hands to prolong the meeting and avoid third hour classes; standing at the foot of the stairs—the honored and respected figure of Mr. Wood, the pillar of E. H. S., before whom we all pass in review as we leave.

JUNIORS

Well, here we are! The Junior class. Look us over and then see if you don't agree with us that we're the best Junior class ever.

We may not be the biggest class—there are 196 of us—but you'll find we took part in everything. For instance, there was the Junior Play entitled "The Adorable age," which was quite a success. And the Junior-Senior Class Prom was also handled very successfully by the Junior class.

We had quite a time in the school year of 1942. We were Freshmen that year, but we weren't heard from very much. We were too scared.

Nineteen forty-three rolled around and we found, to our surprise, that we were Sophomores and no longer out-casts. If you look at the records of the school activities that year, you'll find us well represented.

But now we're Juniors and we're very proud of it, too. We even helped run things this year.

Yes, we've had a very profitable and successful three years at E. H. S. and are happily looking forward to next year when we shall begin our reign as Seniors.

SOPHOMORES

Have you noticed all the intelligent people around here these past two years? Have you noticed how much brighter and nicer E. H. S. has been since we, the Sophomores, entered in 1943?

We didn't come out here as all the Freshmen usually do and ask for the elevator, we knew all the answers (or had someone warned us?).

We're not saying that we have been perfect angels these two years, because once in a while one of us will get into some teacher's hair. This is quite natural, though, for none of us are perfect (not even Sophomores).

Naturally we don't strut around and act as if we own the school as the Seniors do, nor do we try to make everyone think we know everything there is to know as the Juniors try to do, nor do we get lost and ask foolish questions as the Freshmen do; we're the model class. We've been here long enough to know the "ropes," but not so long as to act as if we know everything.

We are also the most patriotic class in E. H. S. Last year when we were Freshmen we led in buying war stamps, and this year we led again.

All in all, what is the best class in E. H. S.?—That's right, the Sophomores!

FRESHMEN

Freshman Day, September 6, 1944, found us entering the portals of E. H. S. for the first time. Scared but determined, we followed the guides to the room where we were to begin our new life as high school students.

The class of 1948 soon began joining the different clubs and sports. Already we have shown unusual talent in sports, studies, music, and other extra curricular activities.

True(although we hate to admit it), at first we didn't get to all our right classes at the right time. If anyone was seen wandering around in a quandary, everyone thought "Freshman." Although we have made no impression on the upper classmen, we have made an impression—on ourselves.

Now since, we have pulled through the ordeals of becoming a part of the high school, we've come to the conclusion that it's a lot of fun to be Freshmen in spite of the teasing and kidding we took from the "older students." Next fall we'll be back as Sophomores to tease the "Freshies" and make them believe the elevator gag. (We didn't fall for that one but just acted as if we did so the upperclassmen wouldn't feel hurt.)

Seriously, we are grateful to the teachers and upperclassmen for the understanding help and advice they have given us.

In every play, no matter how serious and solemn, we expect moments of laughter and gaiety. The presentation of the "School Year" is no exception to this rule.

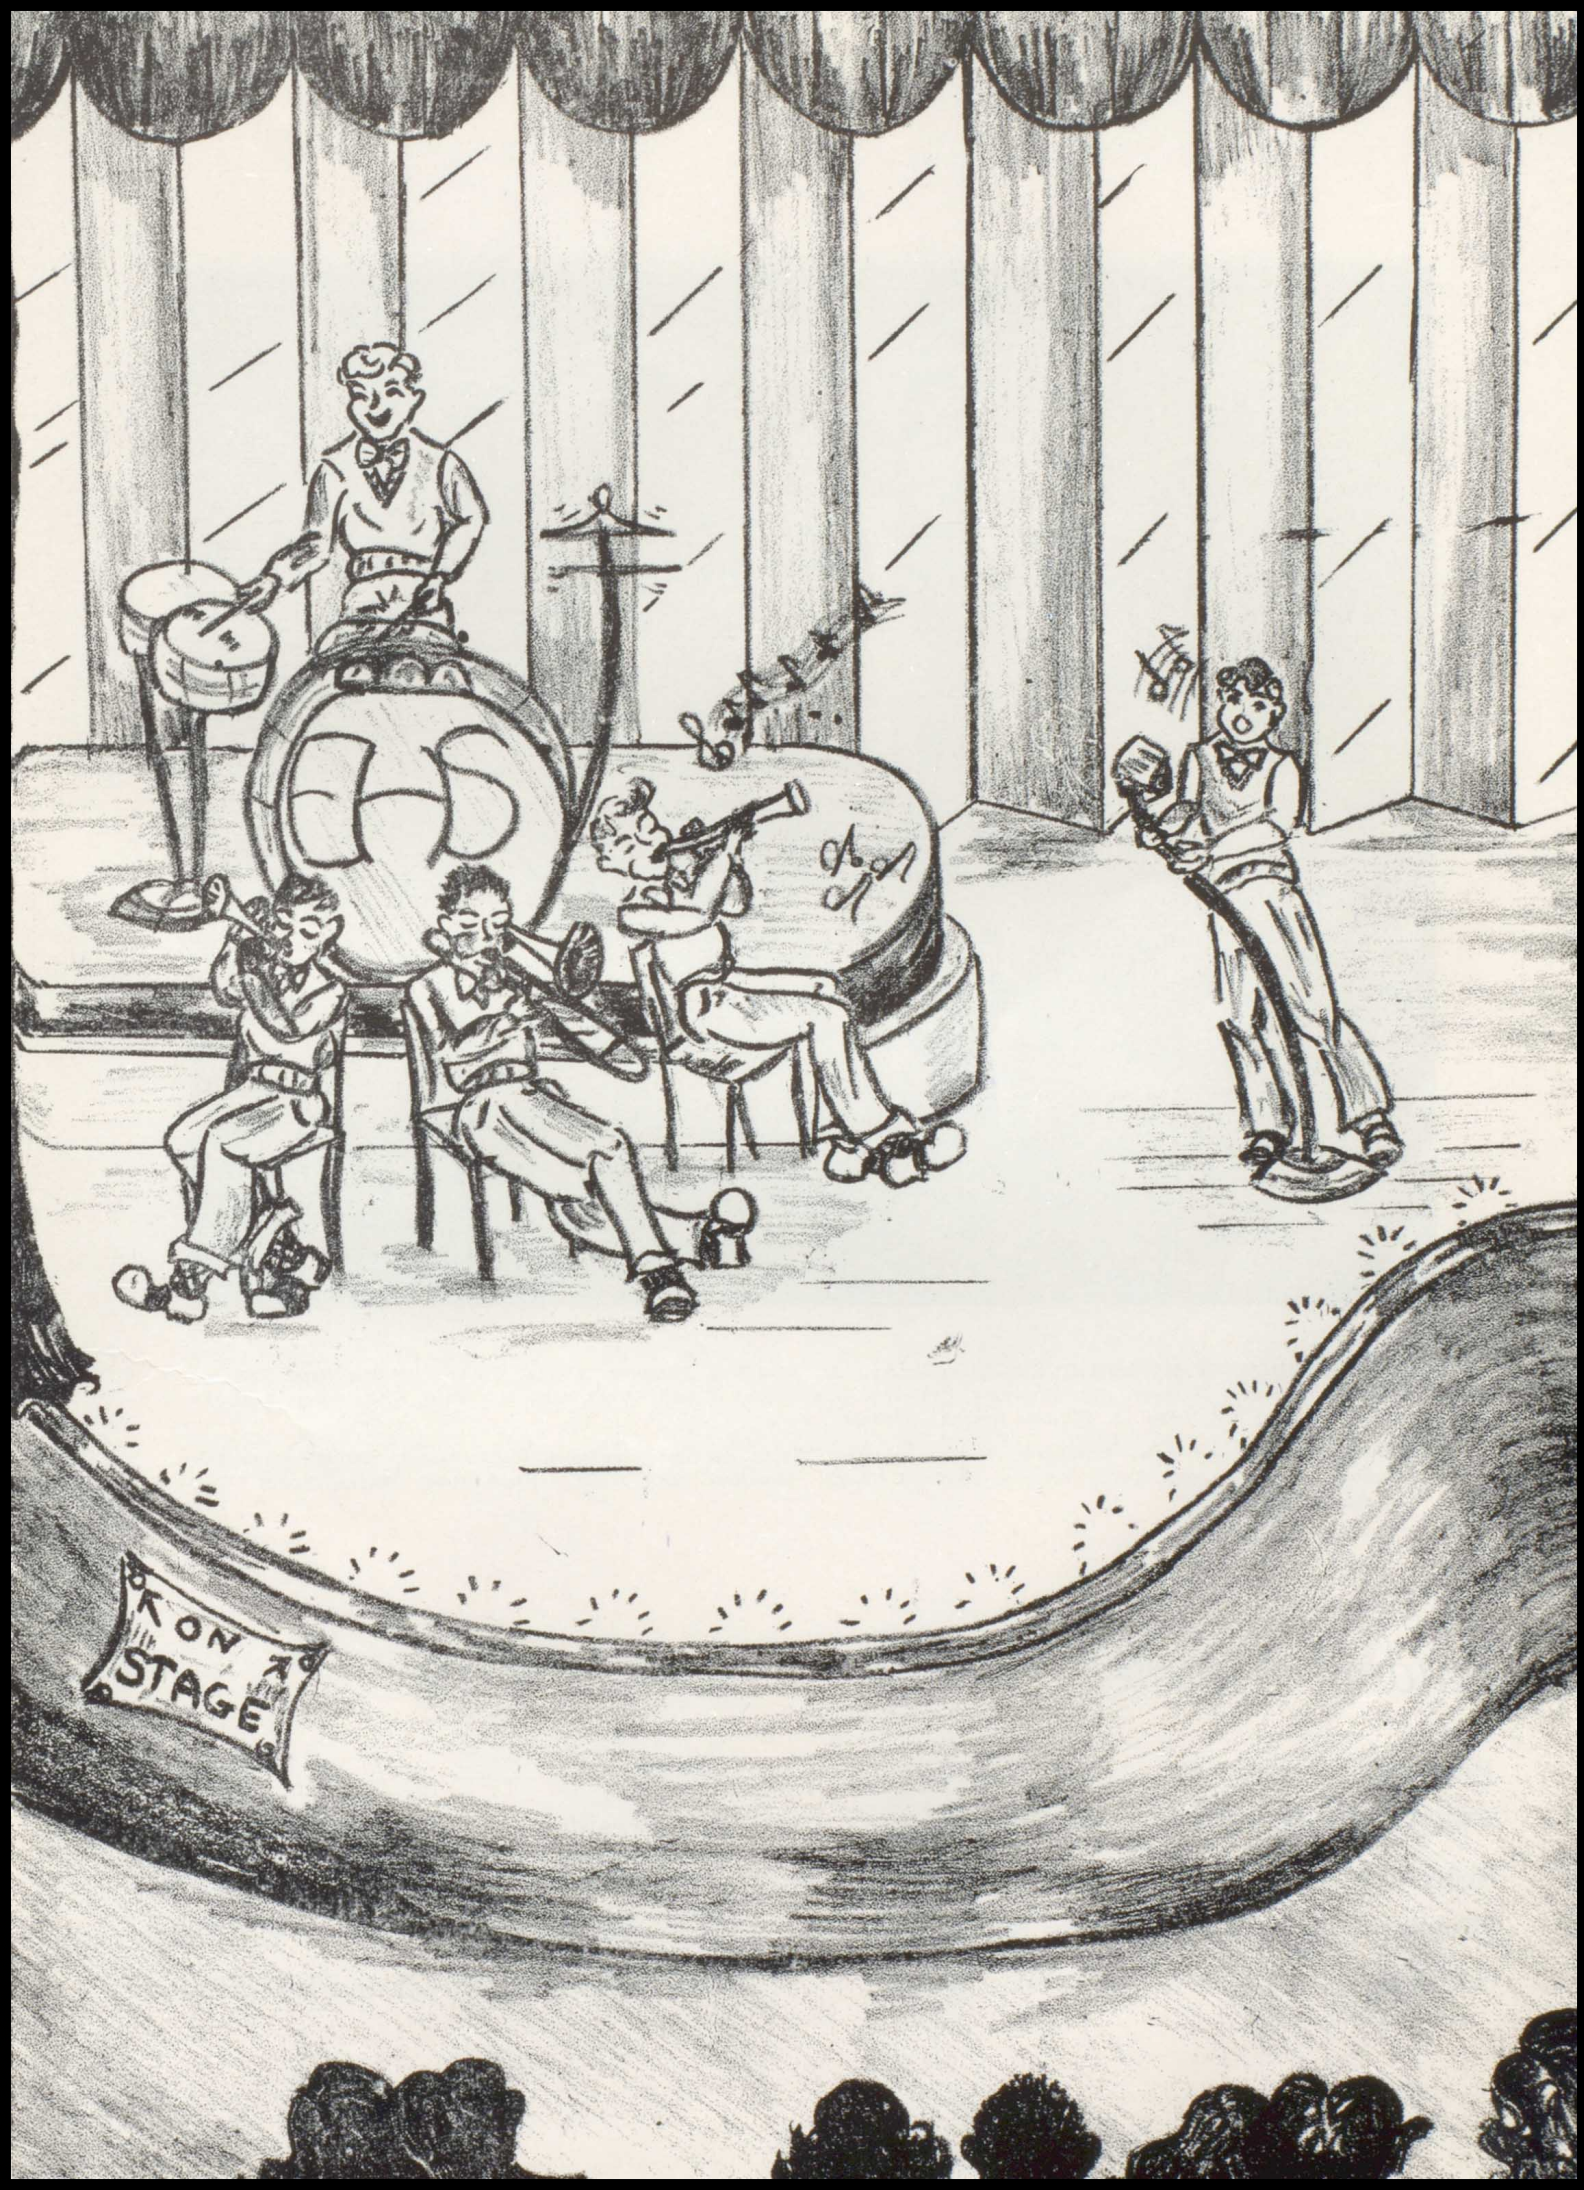

In school many of these light moments are provided by the clubs and organizations. There is in E. H. S. an organization in which every student can be interested. There is the Hi Tri Club for the girls and the Hi Y for the boys. Then, all the students taking a foreign language join the club representing that language in E. H. S. There is also the G. A. A. for girls interested in sports. This is just to mention a few of the many clubs in our high school.

Of course, it is up to the students to keep these clubs alive and functioning. The majority of the students have done their share of the work in keeping these organizations up and doing.

We, the students of E. H. S., are proud of our many fine clubs and we appreciate the work of the faculty in keeping these clubs going. We have enjoyed the good times we have had at the parties these clubs have given and as we draw the curtain on another fine year, we loudly proclaim the fun we have had at all our meetings and parties.

Sound System

Those boys you see running here and there when we have an assembly are the Sound System boys. The sound system is under the guidance of Mr. Apprill. These boys get quite a workout during the year with the Junior and Senior plays, basketball games, and other social events.

Movie Operators

The question "Are we going to have a movie?" is a common one to Miss Goeddel, who is in charge of the visual education department of E. H. S. When her answer is yes, everyone is happy. During the past several years these movies have become a very important part of many courses.

A Cappella Choir

The A Cappella Choir this year was under the direction of George Briggs, as were all the other chorus groups. All the chorus members worked hard to merit a place in this organization. We all know when we hear those beautiful songs coming from the Band Room that the A Cappella Choir is meeting.

Mixed Chorus

The Mixed Chorus meets every Wednesday and Friday during the fifth period in the Band Room. This organization has been very active this year. The members helped put on the Christmas assembly. They also were a big part of the Spring Concert which was enjoyed by all who attended.

The Girls' Chorus is the largest of the chorus groups. This organization has worked hard this year. Some of the Senior girls have spent much time practicing after school. The Girls' Chorus helped make the Christmas assembly and the Spring Concert the big successes that they were.

Boys' Chorus

The Boys' Chorus is a small organization, but it can be heard when it begins to sing. This group meets on Tuesday during the fifth period. It is hoped that through the efforts of the boys who are members this year that the number of boys in the chorus will be increased.

Every Tuesday and Thursday morning during the first period you may hear either beautiful or weird sounds coming from the Band Room. Either sound usually means that the Swing Band is having a rehearsal. Even though this is so, the Swing Band has helped make many an assembly more enjoyable and has entertained us many times this year.

THE EDWARDSVILLE

No play is complete without music and we of E. H. S. have a fine band to make our play complete. At football games it furnished us with entertainment at the half, forming letters and other symbols in honor of E. H. S. and their opponents. These formations were under the leadership of drum major Gert Hanvey.

Early in the year officers were elected by the band members. They were Bob Runge, president; Shirley Schafer, vice president; Bob Wehling, secretary and treasurer; Bill Wayne, stage manager, and Nadine Losch and Mary Rizzoli, librarians.

The band had a new director this year, George Briggs. Not only the band members, but the whole school thought that he was a fine person. He was always willing to co-operate with the students. Last

HIGH SCHOOL BAND.....

fall the band members had a wonderful time on a hayride. The band also played in assembly several times and for the bonfire and snake-dance during the Homecoming weekend.

This spring the band gave its annual Vesper Concert. It was a grand success. The numbers played by the band included marches, a novelty number and overtures.

The band members again kept honor points with the hope of getting their honor pins. This is based on home practice, lessons, and approved radio programs, etc.

All the band members agree that this year has been one of the best, and that under the able direction of Mr. Briggs they have learned much about music and co-operation.

THE TIGER STAFF

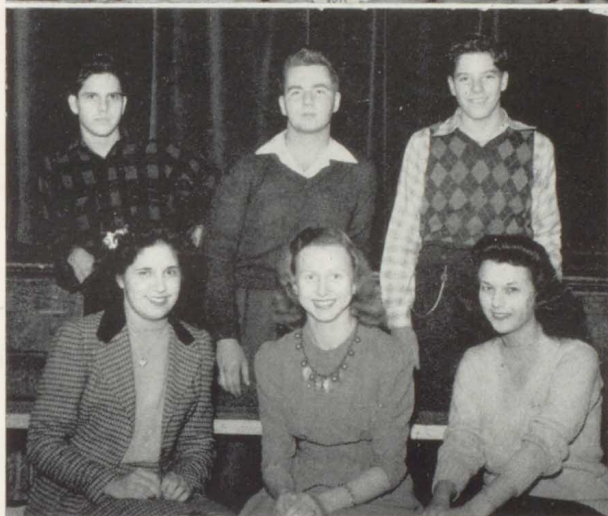

Editor

ROSEMARY BECK

The 1945 Tiger Staff does not say that this year's Tiger is the best ever put out. We don't say it, but we think it.

Although we got a late start (we didn't start working until school started) it wasn't long before we had our working dummy in order. It was a common sight to see Editor Rosemary Beck running up and down the halls with a bewildered look on her face trying to figure out which job to do next. It was quite usual, too, to see Assistant Editor Lucille Troeckler trying to get the copy written. Art Editor Barbara Erickson worked night and day to get out those fine drawings you see in our Tiger. All this while, Sales Manager John Marks and his assistant, Verda Figge, saw to it that those Tigers were sold. Advertising Manager Bob Stolze and his staff were out talking the merchants into putting their ads in the Tiger. Society Editor Betty Browning went to all the parties and plays in order to keep up on what was happening in E. H. S. Then our little man with a camera, Ed Ferguson, wore himself out trying to please the Editor with the pictures he took. Most of the time he was very successful at this. Sports Editor Bob Runge did a fine job of reporting all the football and baseball games, and was always first to hand in any copy that was due. Business Manager Jackie Henry worried about keeping our debts paid and her assistant, Dee Krumeich, spent his time looking for something to do. Paul Wicorek worked on the Class Will and Typist Dolores Shashek quickly typed us copy for the printer. Then, too, the sponsors were always on the job, ready and willing to help at all times.

Even though we had our difficulties, such as getting copy in and getting pictures taken, we have had lots of fun and we would all probably do it again if given the chance.

HOMEcoming

Miss Jocelyn Mayer and her escort, Bill Wells.

One of the highlights of the year came when Miss Jocelyn Mayer was crowned Queen of the 1944 Football Prom. She has always taken a very active part in all school affairs, holding several important offices in various clubs.

Miss Mayer was nominated by members of the football team and was later elected by the entire student body. Wearing a white dress and the traditional purple robe, she made a very striking picture as she and her escort, Bill Wells, approached the throne. We all agree she was one of the most beautiful and gracious queens the school has ever seen.

The Football Prom and the crowning of the queen was the climax of the Homecoming weekend. We also had a huge bonfire and a parade on November 17. The football team gave an assembly in the afternoon and that night the last game of the 1944 football season was played. The whole weekend was a grand success.

HALLOWEEN

Dark clouds fell over E. H. S. on the night of October 31 when the annual Hallowe'en Party was held. Spooks tip-toed in, one by one, two by two. Some were beautiful, some were funny, some were clever. Tell me—have you ever seen a walking mushroom? It is true that the elves and fairies come out to dance on the mushrooms, but this one actually walked. Three strange figures entered the "witches kingdom" but they 'saw nothing', 'heard nothing', 'said nothing'! Can't you guess? They were the three little evils.

Prizes were awarded to the most beautiful, most clever, best groups, and most handsome. From far off places the spooks paired off and began dancing to the "spook shuffle." Dancing and refreshments took up the time for the rest of the evening. We will all remember it as one of the best of this year's parties.

SADIE HAWKINS PARTY

Alas! The boys of E. H. S. were doomed on April 13. It really was a grand affair and the boys found they really liked the Sadie Hawkins dance. The dance was held in Dogpatch and a large number of mountain folks took part in the shuffle! It was a true Sadie Hawkins dance as the girls called for the boys, opened and closed the doors for them, and asked for the dances. Some of the girls brought their men corsages of vegetables, cigarettes (are we kidding?) and candy and gum.

Refreshments were served in the backyard at Dogpatch after which the dance was continued until the lazy moon fell below the hills. Well, boys, you can breathe freely once more, but remember there will be many girls who will be just as eager (if not more so) to go out hunting with their traps and poles or other equipment necessary for catching their dates next year.

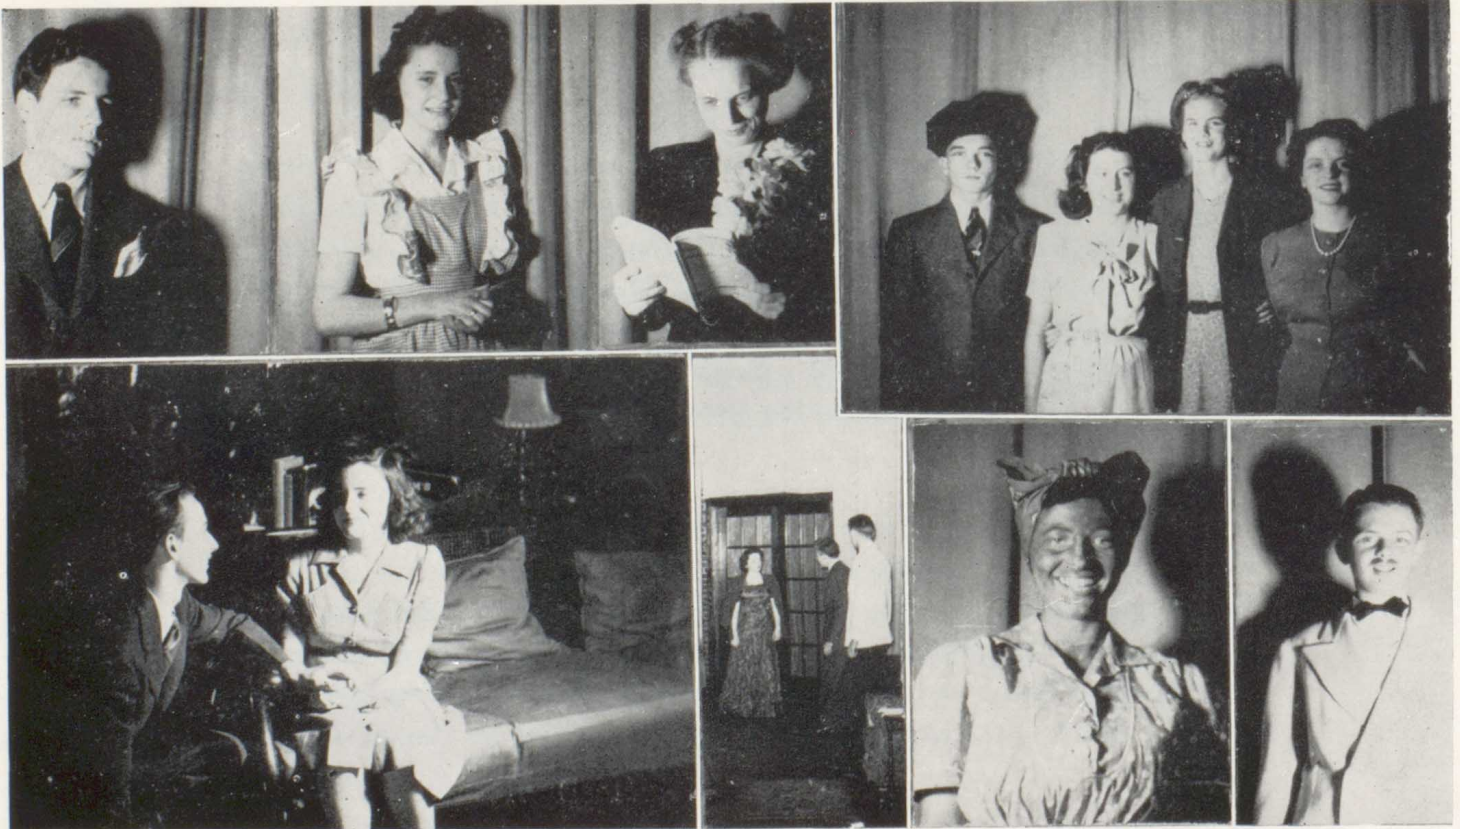

JUNIOR PLAY

The Junior Class's presentation of "The Adorable Age" on December 1 was under the direction of Miss Aletha Smiser.

The play centered around Mary Gay, a teen age girl, who tried desperately to find her mother (who was a widow) a husband, because Mary wanted a father's affection.

Up in the left-hand corner you see a picture showing the hopes of the 1945 Tiger Staff. Several of the other pictures show our future football stars. The picture in the center, on the left, shows Miss Alba, our visitor from Peru, South America. She came to Edwardsville on March 26 and stayed about six weeks. She was very friendly and was liked by both the students and the faculty. We learned many things from Miss Alba, and we hope that she took a good impression of us with her back to South America. We also have a picture of our service flag on this page. This represents the number of E. H. S. graduates now in service.

Marvin Winte, Claribel Huelskamp, Lamoine Schoenleber, Cleona Lutes

YEA! TIGERS!

This year Edwardsville High School had two returning cheerleaders, Cleona Lutes and Lamoine Schoenleber. Early last fall we elected two new cheerleaders. They were Claribel Huelskamp and Marvin Winte. All four of them turned in a wonderful job. They were well supplied with vim, vigor, and vitality. They were always "right there" when it came to cheering our team on to victory. We really owe a vote of thanks to our cheerleaders for their loyalty and good sportsmanship.

One of the familiar slogans in E. H. S. is: "If you can't take part in sports, at least be one." The students have always really tried to live up to this, but once in a while it is rather hard. This year, under the direction of our two fine coaches, we have done more to back up this slogan than ever before.

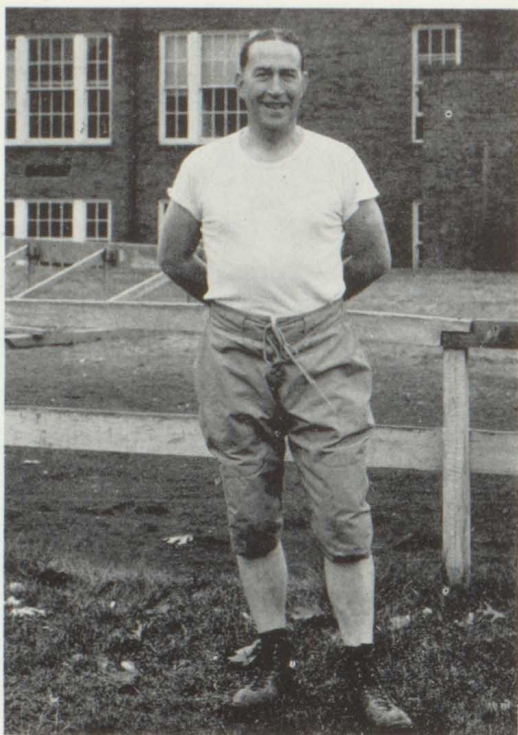

We all like to have a winning team. Of course, this is not always possible. We know that it isn't but still it almost breaks the heart of a true and loyal student, when after yelling our lungs out for an hour or two, we see "our boys" go down in defeat. We try to be good sports but it "gets" us every so often.

But we really can't complain about our teams this year. We have had our good days and our bad days, but to the students of E. H. S. our teams are always "tops". The old saying fits here: "They are ours, and we are theirs". This is how we feel about our "boys". Win or lose, they are the best in the world.

Act Two

..... *Off Stage*

COACH GILBERT

Coach Tom Gilbert was our new football and track coach and the *biggest* addition to our coaching staff. Before coming to E. H. S. he coached at Pawnee, Ill. Coach Gilbert is very well liked by everyone around the campus of E. H. S. During basketball season Coach Gilbert acted as assistant basketball coach. Because of his likeable personality he quickly gained the admiration of all the boys both as a coach and a friend.

FOOTBALL

If anyone had dropped around to the campus of E. H. S. during the last week in August they would have found about fifty-five or sixty boys kicking, passing, or blocking. Of course, you all probably know the reason, it was all in preparation for the gridiron season. This year's Tiger team was run from a T-formation system of plays. The Tigers had nine returning lettermen, but some of them weren't very experienced. It was a little hard for Coach Gilbert to find replacements for the unfilled positions. Although there wasn't a great deal of material, Coach Gilbert did a fine job filling in the gaps. The thing which the team lacked most was experience and size, which are very necessary in order to have a good team. These things which were lacking were made up for in the team's fight and spirit. They had a pretty tough schedule in the conference and finished with a record of two victories and five defeats.

Our boys seemed to give every team a good fight the first half, then in the last half because of the lack of good substitutions usually lost ground, and lost several games because of this. The Tigers did not lack deception on their plays, however, because playing from a T-formation it was difficult to follow the ball. With just a little better line we could have gone a long way, as our backfield was on a par with any in the conference. We can feel satisfied, however, in having material and a good start in the building of a better team in the years to come.

 (Back Row) Jahns, Merkel, Runge, Schroeder, Marks, Ketcham, Rosenthal, Woods, Mr. Groutage.

TRACK

The 1944 Tiger "Thinclads" season turned out to be quite successful as they ended up in fourth place in the conference standing. The most outstanding member of the team was Jim Marks who won both the District and Conference high jump event; he also won the Conference broad jump event.

In the Conference meet at Granite City in May the Tigers put on a very fine showing for a small team. In the senior division we placed fourth and in the junior division we placed second.

PANA 36

TIGERS 13

The Tigers opened their 1944 gridiron schedule under their new Coach, Mr. Gilbert, by clashing with one of the most highly rated teams in the state, the Pana Panthers. The Tigers showed a good offense but were seemingly weak on the defense. The Tigers played Pana on even terms for the first half, but the second half saw Pana put over two quick touchdowns and the game ended in a 26 to 13 victory for Pana.

STAUNTON 7

TIGERS 12

This was our second game of the season and the Tigers displayed offensive power in scoring two early touchdowns. With their T formation showing signs of much improvement the Tigers ended up with a 12 to 7 victory on a slightly soggy field.

ALTON 20

TIGERS 0

The Tigers opened their 1944 Conference schedule against the Alton Hilltoppers, but when the game ended the Tigers were on the bottom instead of the top. The game was played very evenly until the middle of

the third quarter; then the rains came and before anything could be done the Hilltoppers had run across three touchdowns. This game was played without the services of Dick Bridwell, who was hurt on the kick off.

COLLINSVILLE 12

TIGERS 21

After suffering a defeat in their conference opener, the Tigers bounced back with a 21 to 12 victory over the Collinsville Kahoks. The play of the Tigers in this game looked like that of champions. Their defense and offense were both greatly improved over that of the Alton game. The highlight of the game was a 75 yard kick off return by Lester Munzert, which opened the second half.

MADISON 0

TIGERS 33

This was the chance that the Tigers had waited for to show their scoring power. The Tigers ground and aerial attack ran the Trojans in circles. It was a track meet for Ontko and Munzert; each one scored twice and Bridwell once. One of Munzert's touchdowns was a 95 yard jaunt and Bridwell went 65 yards for his.

FOOTBALL

GRANITE CITY 14

TIGERS 13

This was a tough game for the Tigers to lose because they were in the lead until the last quarter. The ground attack of the Tigers was running the Happy Warriors "hapless." We got a bad break in the closing minutes of play when we scored a touchdown and it was called back because of a penalty. This was one of the best defensive games of the year.

EAST ST. LOUIS 37

TIGERS 7

Again being rated as one of the toughest teams in the southern part of Illinois, the Flyers ran wild over the Tigers and came out on top of a 37 to 7 score. The Tigers played the Flyers to a standstill for the first quarter, but after that they were unable to stop them. This was Dick Bridwell's last game, as he had received his call to service.

WOOD RIVER 0

TIGERS 14

This game was one which the Tigers had waited for all the year, and when it was all over the Tigers were on top of a 14 to 0 score. The Tigers started off like a steam roller and the first few minutes saw Carl Ontko skirt end on a 50 yard touchdown run. Later in the first half Ontko again scored from 10 yards out. The extra points were added by Bob Schmidt and Jake Bartlett.

BELLEVILLE 13

TIGERS 0

As this game was the last game of the season and also the Homecoming game, the Tigers were really out for a victory. The powerful Maroons were a little too tough, however, and we came out on the short end of a 13 to 0 score. The Tigers were very much outweighed in the line and the Maroons took advantage of it and tore holes repeatedly in the Tigers' forward wall for good gains.

COACH LUCCO

Coach Joe Lucco was our new basketball coach this year. He was very well liked by everyone around school. Before coming here, he coached at Pocahontas and the last two years had been coach at Kincaid, Ill. Coach "Joe" is also athletic director. During football season he served as assistant football coach when his time permitted. Under Lucco's coaching E. H. S. should have some fine teams. Coach Lucco's likeable personality has gained him a high place among the citizens of Edwardsville.

BASKETBALL

After the Tigers' football season ended in a slightly disastrous fashion, everyone turned their eyes to the coming basketball season with hopes of having better luck. Practice began about the middle of October in order to help the boys get their sights set on the basket. About the middle of November the Tiger basketeers started their 1944-45 basketball season. Although not rated very highly in the conference, after losing our whole first team, nevertheless, we were one of the dark-horses of the conference. The Tigers were very slow getting started, but as the season went along the E. H. S. basketball team started to round into somewhat of a team. One thing which the Tigers have to their credit is that they were the only team to defeat the conference champs, Alton. The climax of our first semester of play was the Mt. Vernon Holiday Tournament. The first team which we ran up against was the team which was one of the most highly rated teams in the Southern part of the State. This team was Pinckneyville, the team that won the tournament and defeated us 61-50. After we returned from this tournament, we began hitting our stride. The Tigers defeated every team in the conference at least once except Wood River and Collinsville; we were beaten by the Kahoks in an overtime once. The season ended with the Tigers having a conference record of six wins and eight losses, which doesn't sound very impressive, but the team considered it not too bad a season considering the material from which a team had to be built. None of the "fellas" had been regulars the year before. In the Regional Tournament the Tigers got by their first game, which was with Roxana, but ran into trouble in the second game when we were beaten by Collinsville.

BASKETBALL LETTERMEN

John Marks—John was the captain this year and was very popular with the team. About the middle of the season he was changed from the position of guard to forward and he developed into a very fine forward.

Bob Schroeder—Bob was the only regular left over from last year's team. Bob was one of the best shots on the team and also the highest scorer.

Ray Schneider—Ray was the smallest man on the team but he made up for this by his very clever maneuvering. Ray should be the standout on next year's team.

Bob Runge—Bob, although getting a very slow start, came around as the season progressed and turned out to be the most improved player on the team. He also was a good rebounder and defensive player.

Charles Schmidt—Chuck was also much improved over last year. He was one of the best rebounders and usually came through with some points when they were needed most.

(First Row) Sutter, Wetzel, Wilkinson, Volz, Ellis, Paddock, Hoffman, Gehrig, Davenport, Stewart, McNeilly.
 (Second Row) Schneider, Daech, Henderson, Nealy, H. Heepke, Marks, Merkel, Schroeder, Jahns, Runge, Gray, Schmidt, Weber, Going.
 (Third Row) Giardina, Coach Gilbert, Compton, Shaffer, Long, Coolbaugh, Naumann, Wheat, Wilhold, P. Heepke, Mayberry, Colclasure, Geers, Coach Lucco, Gaertner.

BASKETBALL

Gordon Henderson—Gordon was the sixth man on the team and was a very dependable reserve. He could score and also was a pretty good defensive player. Gordon should be a standout on the 1945-1946 team.

Ed Jahns—Ed was another able and dependable reserve. He was inexperienced but came along very well as the season went by.

Bob Merkel—Bob was a new member of the lettermen group this year. He was a very good shot and also a good rebounder. He will be one of the eligible boys for next year's team.

Jim Daech—Jim was a letterman from last year's team and also one of the best ball handlers on the team. Whenever Jim was in the game, he was the "pepperbox" of the team.

Phil Weber—Phil didn't see much action this season, but was always ready when he was needed. He should be a very highly improved player next year.

GIRLS' ATHLETIC ASSOCIATION

The Girls' Athletic Association, better known to the members of E. H. S. as the G. A. A., is one of the most active organizations in the school. The club is a member of the state G. A. A., and regulates its activities according to its rules.

Under the sponsorship of Miss Mildred Halbruegge, one of the new members of the faculty of E. H. S. this year, the club has thrived very favorably. Miss Halbruegge also sponsored and directed softball, basketball, volleyball, and tumbling, a sport that was just added this year instead of bowling. Miss Esther Goeddel directed archery.

To be a member of G. A. A. and be eligible for the letter awarded each year, a girl must take Physical Ed. and participate in at least one sport a semester and not miss more than two meetings of G. A. A. a year; Juniors and Seniors must keep 16 weeks of health rules. Letters are awarded to the girls filling these requirements and others making them eligible for a letter.

G. A. A. meetings are held every other Thursday, with a committee chosen to furnish entertainment. Special meetings are sometimes called when things of importance come up.

Various parties were held during the year, initiation for the Freshmen and new members, the annual alumni banquet, the Senior banquet held in honor of the Seniors in G. A. A., and a chili supper for the winning volleyball team, given by the losing team. There was also a playnight for the G. A. A. members and a few other miscellaneous affairs. This year a number of girls went to the Alton play-day held in the fall.

Each year a trophy is awarded to the girl selected by the club and faculty as the "all-around G. A. A. girl." Some of the qualifications are: good sportsmanship, loyalty, honesty, leadership, scholastic standing, athletic ability, and personality.

In order for the club to meet its expenses, the girls sold candy at the football and basketball games.

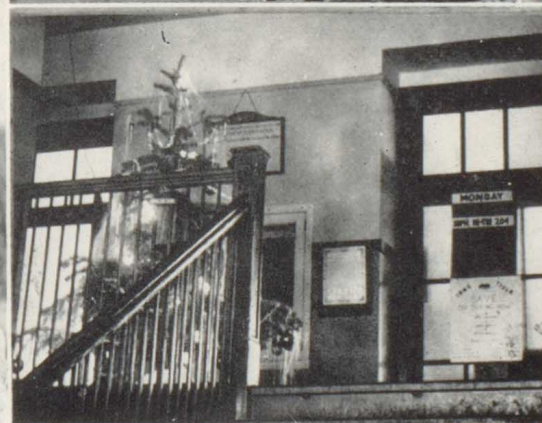

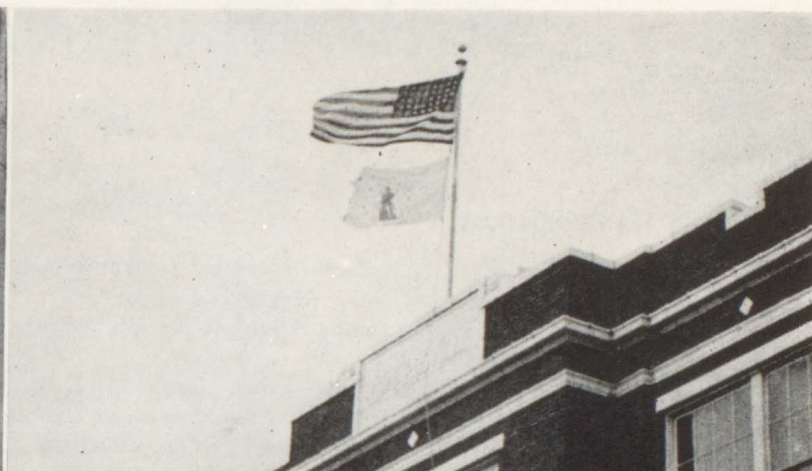

The main event of the year for the president is the attending of the G. A. A. camp held in the summer months accompanied by a couple of girls elected by the organization to go with her as representatives with all expenses paid.

IN THE BOOK OF YEARS
1 9 4 5
A Year of Destiny

Much is at stake!

World-wide—nationally—and FOR YOU!

Peace - Liberty - Happiness - Economic Security!

With Peace, in many cases, will come changes in personal fortunes.

YOUR FUTURE depends largely upon you!

What will it be?—He is wise who pauses to review his yesterdays, to ponder his todays, and to prepare and fortify himself for his tomorrows.

If your earnings are more,
SAVE MORE

If your earnings are the same,
SAVE ALL YOU CAN.

If your earnings are small,
SPEND WISELY - SAVE SOME, - BUT SAVE!

You're neither too young nor too old to start a Savings Account at this Bank: Nor too big nor too small to receive the best in banking service.
